

M272 Bottle Stainless Double Wall 500ml

These double walled, vacuum insulated, stainless steel bottles are a must for storing either hot or cold beverages; effectively keeping beverages hot for 12 hours or cold for 24 hours.

Manufactured from the highest quality #304 stainless steel with copper plated interior, they laser engrave beautifully and look fantastic with a full colour digital print.

Please note of course that, like any metal item, they cannot be put in the microwave.

- Double wall vacuum insulated with copper plating
- Keeps liquids hot for 12 hours or cold for 24 hours
- Food grade #304 (18/8) stainless on inside /#201 stainless on outside
- Flat top lid ideal for engraving
- Not microwave or dishwasher safe
