

M275 Double Wall Stainless Bottle :: 600ml

- Double wall construction
- Keeps liquids hot for 10 hours or cold for 20 hours
- #304 stainless inside and out
- Flat top lid ideal for engraving
- Not microwave or dishwasher safe.

These double walled, vacuum insulated, stainless steel bottles are a must for storing either hot or cold beverages; effectively keeping beverages hot for 12 hours or cold for 24 hours.

Manufactured from the highest quality #304 stainless steel with copper plated interior, they laser engrave beautifully (particularly the black) and look fantastic with a full colour digital print (particularly the white).

Please note of course that, like any metal item, they cannot be put in the microwave.
