

# Z511A Isolda Stylus Ballpoint Pen

Introducing the Isolda Stylus Ballpoint Pen, a dual action choice for the tech savvy corporate gift opportunity.

Encased in its stylish, sleek curves is a twist action, retractable ballpoint as well as a stylus for use on courier's scanners. Black ink is delivered from a quality slim type refill - German ink - 1,200m.

This promotional pen can be printed with your client's logo to create a professional branded product.

Please note, the stylus doesn't work with tablets or smartphones.

- Twist action
- Retractable ballpoint
- Black ink
